With all stitches still on dpns, thread a yard length of yarn on a large child's tapestry needle. Weave sewing needle through each st and take loops off knitting needles as you go, being careful not to lose loose end. Pull very tightly and knot twice. With one end threaded onto needle, knot twice with knitting yarn end. Weave in all ends and turn right side out. Also sew up rib area. (The brim on this hat does not fold up but fits down over ears snugly).
